SCHOLARSHIP MEMORIAL FOR L. E. ZIEGLER

A scholarship fund is being established in memory of L. E. Ziegler, formerly president of Culver-Stockton College at Canton, who died November 27.

Ziegler, a school superintendent for 26 years and also an assistant commissioner of education in the Missouri State Department, was president of the Missouri State Teachers Association in 1946.

Friends desiring to contribute to the memorial should send funds to Ruth Brown, 711 N. 7th, Canton, Missouri.

SUMNER TEACHERS WIN SCHOLARSHIPS

Mrs. Victoria C. Chapman and Miss LaVada R. Mitchell of the Sumner High School in Saint Louis have recently been awarded scholarships. Mrs. Chapman has been given a year's tuition and sustaining scholarship to pursue studies in mathematics. Miss Mitchell will study at the University of Wyoming next summer in the field of biology on a grant by the National Science Foundation.

BONDS VOTED

Holland: $130,000 issue for construction of an elementary building to house grades one to four. The district also has $16,000 from a special building levy to augment the issue.

PAMPHLET DISCUSSES CONSOLIDATION

"The Point of Beginning: The Local School District," the progress report of the American Association of School Administrators, discusses procedures for district reorganization.

Chapter headings are: Where Do we Stand? When Is a District Too Small? When Is Reorganization Needed? Reorganization Is Not Easy; Leadership; A Look Ahead.

There is general agreement among students of school administration that a school district should be large enough to employ at least 40 teachers and enroll 1,200 pupils in grades one through twelve.

The 15-page pamphlet costs 50 cents from the AMSA, 1201 Sixteenth Street, N. W., Washington 6, D. C.

RECEPTION FOR DR. LOVINGER

Nearly 200 persons attended the reception given for Dr. and Mrs. Warren C. Lovinger at the Country Club Y.M.C.A. in Kansas City March 23. The Kansas City alumni of Central Missouri State College sponsored the reception.
